## Pythagoras

Our team of Local Authority experts have more than 100 years' combined experience working in or with councils.

We fully understand the challenges within the marketplace and work throughout the UK to apply our experience in helping Local Authorities simplify operational processes, and streamline citizen engagement and self-service.

Evolve LRG from Pythagoras is a digital platform designed specifically for Local and Regional Government, built on Microsoft Dynamics 365 and Azure. This intelligent digital platform pulls disparate data together, delivers a personalised and informed experience to customers, equipping the council with a platform for the future.
